

THE SPAULDING EDUCATION FUND

*Funding Educational Grants for the
Manchester Essex Regional School District*

Spaulding Education Fund is an independent, non-profit organization providing support for programs that enhance the academic curriculum of the Manchester Essex Regional School District. Through grants to teachers, students, and other members of the school community, Spaulding Education Fund enriches students' learning with hands-on activities, cultural experiences, and access to cutting-edge technologies that aren't funded through the towns' budget processes.

Spaulding Education Fund welcomes tax-deductible sponsorships and donations of any size. We offer our sponsors many opportunities to shine as community partners and are a powerful branding opportunity. The NIGHT OF STARS Talent Show is the Spaulding Education Fund's largest fundraising initiative of the year and draws a large audience from Manchester and Essex, and showcases talent from the local community.

We invite you and your business to partner with SEF and become a Spaulding Education Fund Sponsor. Promote your brand, build awareness with your local audience, partner with a beloved organization -- and feel great about it, because you'll be supporting enrichment programs for students at MERSD!
